

**Episteme**  
*Episteme*, in Greek, means “to know”. This is the kind of knowledge you get from reading and absorbing. This is the theory of something, and the hungry curiosity for the comprehensive understanding of that something.<sup>[1]</sup>

So, how often do you read and decipher?  
(Use E in the log)

**Techne**  
*Techne*, in Greek, means “craft” or “art”. This is the kind of knowledge that is not easy to learn, but is furthered only through practice. This is the combined skill of the mind and the muscle, and the product of what is absorbed and imagined.<sup>[1]</sup>

So, how often do you ideate and sketch?  
(Use T in the log)

**Phronesis**  
*Phronesis*, in Greek, means “practical wisdom”. This is the kind of knowledge that renders the capacity to realize an end. This is the response to situation, and is born from negotiation or critical manipulation.<sup>[1]</sup>

So, how often do you engage and prototype? (Use P in the log)
